Dear Secretary,

We are pleased to inform you that applications are now open for 2020 Commonwealth Split-site Scholarships. These are for PhD candidates from low and middle income Commonwealth countries to spend 12 months at a UK university as part of their doctoral studies in their home country.

Split-site Scholarships are designed for the benefit of universities in the UK and across the Commonwealth, providing them the key opportunity to help build effective partnerships and collaboration opportunities within Commonwealth higher education, and are delivered through an existing institutional or departmental link between the candidate's home university and proposed UK university.

Please find below the CSC marketing text which can be used by your institution, should it wish to advertise the scholarship across its appropriate channels to potential eligible applicants.

Full details are available on the CSC website: <http://cscuk.dfid.gov.uk/apply/split-site-scholarships-low-middle-income-countries/>

If you have any questions please do not hesitate to contact Juliette Hargreave on [juliette.hargreave@cscuk.org.uk](mailto:juliette.hargreave@cscuk.org.uk)

Kind regards,

CSC Secretariat
