

Curriculum Vitae

Professor Dr. Mohammad Yousuf Ali Mollah

Designation

Member (Since 29th May 2015): University Grants Commission of Bangladesh

Duties and Responsibilities

- I was in-charge of day-to-day general administration of UGC for three years
- On occasions I represent the Chairman/UGC in different forums and negotiate with different Development Partners, in particular WB, ADB, European Union, British Council etc.
- I look after the activities of AIF (Academic Innovation Fund) component of HEQEP. My responsibilities include, among others, evaluation, selection and monitoring of -
 - W-1(teaching-learning) projects;
 - W-2 (establishing physical facilities for PhD, M. Phil research) projects at universities;
 - W-3 (establishing connectivity at different universities) projects;
 - W-4 (establishing University-Industry collaboration) projects;
 - TTO (establishing TTO at three different Universities) projects;
 - Establishing Fab Labs (Fabrication laboratory) at seven universities.
- Currently I am looking after -
 - Information Management, Communication & Training (IMCT) Division.
 - Strategic Planning Unit (SPU)
 - International co-operation and co-ordination unit (ICCU)
 - Quality Assurance Unit(QAU)
 - Framing National Qualification Framework (NQF) for Bangladesh
 - Formulating outcome-based curricula for tertiary education in Bangladesh
 - To cater the needs and demands of ICT infrastructures of UGC and the public universities of Bangladesh and undertake necessary measures toward applications of ICT knowledge by UGC personnel as well as university administration – both academic and administrative.
 - To assist the universities to connect international research and education networks.
 - To administer the functions of Higher Education Management Information System (HEMIS) already established at UGC
- On occasions I am assigned with monitoring/ reporting/ assessing/inquiry committees of different Public and Private Universities on academic and administrative matters.

Previous positions held

Professor: Department of Chemistry, University of Dhaka

Dean (2 -Terms): Faculty of Science, University of Dhaka

Founding Director: Institutional Quality Assurance Cell, Dhaka University (IQAC-DU)

Phone: +880-2-8181625(Off), +880-2-58152246 (R), Cell: 01714748969

e-mail: myamollah2013@gmail.com ; myamollahugc@gmail.com

Academic activities/achievements

- Currently Member of Syndicates of (i) Sheikh Hasina University, Netrokona, (ii) Chittagong Medical University, Chittagong and (iii) Sylhet Medical University, Sylhet.
- During my long 35 years of service in the department of chemistry of Dhaka University I was actively involved in teaching-learning and research activities of the department. I was the SPM of a HEQEP project

amounting BD Tk 4.5 million to establish a material chemistry laboratory equipped with state of art equipment.

- I was twice elected Dean of Faculty of Science. As academic leader I was responsible to guide the departments belonging to the Faculty to update their curricula and bring dynamism in teaching-learning and research in different departments. I established a Trust fund of BD Tk 4.0 million for academic enrichment of young teachers of the Science Faculty of Dhaka University.
- I was the founding Director of *Institutional Quality Assurance Cell (IQAC)* at Dhaka University. I wrote the proposal and after the award I was instrumental in inspiring the teaching community toward quality education in their respective fields.
- I was member of Academic Council, Dean's Committee etc. of Dhaka University.
- As a Dean I was member of a number of Committees, Sub-Committees and Trustee Board in Ministry of Science and Technology, Ministry of Education and Technical education Board.
- I am/was either Executive Editor or Member of Editorial Committee of six different journals regularly published by different professional bodies in Bangladesh.

Education

- PhD in Chemistry, Macquarie University, Sydney, Australia, 1979
- MSc in Physical-Inorganic Chemistry, Dhaka University, 1970
- BSc (Hons.) in Chemistry, Dhaka University, Dhaka, 1969

Scholarship & Fellowships awarded

- Visiting Fellow, Gill Chair of Chem. & Chem. Engg., Lamar University, Texas, USA, Oct.-Dec. 2002, July-Sept. 2000, June-Dec. 1998, June 1993-Dec. 1995, Dec.1990- Nov. 1991,
- NSERC (Canada) Fellowship for Post-doctoral research at Ottawa University, Canada, March 1979- March 1981.
- Colombo Plan Scholarship for higher studies in Australia, Feb. 1975- Feb. 1979.

Academic positions held

- Professor, Department of Chemistry, Dhaka University, July 1993 to June 2016.
- Associate professor, Department of Chemistry, Dhaka University, Feb. 1984-June 1993.
- Asst. Professor, Department of Chemistry, Dhaka University, June 1981- January 1984.
- Lecturer, Department of Chemistry, Jahangirnagar University, March 1972-March 1975.

Other academic activities

- Executive Editor, Dhaka University Journal of Sciences (2013-2015).
- Member Editorial Committee, Journal of Bangladesh Chemical Society since 2008
- Member, Editorial Committee, Bangladesh Journal of Scientific Research (BAAS) since 2007.
- Member, Editorial Committee, Bangladesh Journal of Scientific and Industrial Research (BCSIR) 2009-2015.
- Member, Editorial Committee, Journal of Asiatic Society Bangladesh (Science)
- Member, Journal of National University(Science), Bangladesh

Member of professional bodies

- Life Member, Bangladesh Chemical Society.
- Life Member, Bangladesh Association for the Advancement of Science (BAAS)
- Life Member, Asiatic Society of Bangladesh.

Syndicate member (previous)

- Dhaka University of Engineering Technology, DUET (three terms)
- University of Science & Technology Chittagong, USTC (two terms)

Hall Administration

- House Tutor of F. H. Muslim Hall of Dhaka University for six years.

- Provost (in-charge) of F. H. Muslim Hall of Dhaka University for six months in 1989.

Student advising

- Departmental student advisor for four years (two terms)

Research interests

- Reaction kinetics and catalysis, Material science, Environmental chemistry, Solid waste managements, Wastewater treatment, Nanochemistry and Nanocomposite, Supramolecular chemistry.

Research Supervision

- PhD : Completed 6; M Phil : Completed 3.; MS: > 75 (8 students at Lamar University, Texas, USA.)
- *List of peer reviewed articles: 121 (Annexure I)*

List of books written

- Co-author of a text book on Physical Chemistry for undergraduate students (2009).
- Co-author of Chemistry books (Paper I, Paper II and Practical) for Higher Secondary Certificate (HSC) students.

Total publications: over 121 in National and International Peer reviewed Journals, 05 book chapters and 03 Symposium Proceedings

Annexure-1: List of peer reviewed articles

1. **Mollah, M. Y. A.** and Nawab, M. A., Conductance behaviour of arsenious sulphide sol during coagulation. *Dhaka University Studies (B)*, **22(2)**, 35-37 (1974).

(C) Books Written

- (i) Co-author of a text book on Physical Chemistry for undergraduate students (2009).
- (ii) Co-author of Chemistry books (Paper I, Paper II and Practical) for Higher Secondary Certificate (H. S. C.) students.

(D) Proceedings, Extended Abstracts, Bulletins and Preprints

	Authors	Title	Detail	Location
